regardless of the reason for the absence.

RED is Risky!

YELLOW is Caution!

GREEN is Great!

-  Strive for 5 or fewer absences! It's your best chance for success at school.
-  6 to 9 days absent - It's time to get back on track before you fall behind in school.
-  Missing 10 or more days is risky! Your absences may begin to affect your likelihood of graduating!

REMEMBER: *Being late to school/class also adds up to missed instruction. Make it your goal to be here every day & on time.*

**It's easier to keep up
than to catch up!**
