**129-020 APPROVAL OF AGENDA**

Motion by Beaugard, seconded by Roberts to approve the agenda. Voting aye on the roll call: Beaugard, Flanigan, Roberts, Snarr and Murphy. Nays: None. Motion carried.

**BEGIN WORK SESSION**

1. Transportation Salary Schedules – Mr. Bone presented the Board with information concerning the disparity of the salary schedule for the bus drivers and transportation supervisor. Currently there is a shortage of bus drivers across the State and there are many more employment requirements for bus drivers than in the past for safety purposes. When comparing our salaries to other districts in the county and similar districts, our salaries need reviewed and increased in order to stay competitive.
2. Budgetary Update – Mrs. DeWeese updated the Board on recent State funding reductions and the effect unemployment rates and business closures are expected to have on School District Income Tax and Casino revenue. Due to declining enrollment, we were able to reduce 9 positions through attrition/resignations to help with the expected shortfall in State Funding for FY2021. We are expected to lose \$1.5 million dollars in State Funding, \$40,000 reduction in Casino Revenue, and predicting a 5% reduction in School District Income Tax for FY2021.
3. Mrs. McCarty-Stewart discussed moving 5<sup>th</sup> grade to Denver (from East End) for the FY2021 school year. This would allow some cost savings by being able to close most of East End other than the pre-school hallway. This would save on salaries and food service costs. This would also allow us to use East End in the event that we need to spread out kids with the re-opening of school.
