MEMBER BENEFICIARY DESIGNATION

(Prior to age and service retirement)

Complete the **MEMBER INFORMATION**, **FAMILY DATA** and **DESIGNATION OF BENEFICIARY**. Please select EITHER Section 1–Statutory Order **or** Section 2–Specific Designation. *DO NOT COMPLETE BOTH.*

If you have previously made a specific designation of beneficiary, that designation will still be in effect until a new designation is filed. Any of the following events makes a specific designation invalid: marriage, divorce, dissolution of marriage, legal separation, the birth or adoption of a child, or the withdrawal of funds (taking a refund of your SERS contributions). Should one of these events occur, your specific beneficiary designation will become void. Your beneficiary will then be determined by the Statutory Order until a new beneficiary designation is filed.

SECTION 2—SPECIFIC DESIGNATION OF BENEFICIARY

Please consider the following information prior to making your beneficiary designation:

- If, at the time of your death, you are survived by eligible children they will receive monthly benefits regardless of your designation. An eligible child is any unmarried natural or legally adopted child under 18 (or 22 if a qualified student attending an accredited school) or regardless of age if adjudged physically or mentally incompetent.
- You may designate multiple (joint) beneficiaries. Joint beneficiaries will equally share a refund of any eligible benefit. If joint beneficiaries are named, your spouse (if applicable) would not be entitled to monthly benefits.
- If you are, or later become, a member of the State Teachers Retirement System and/or the Public Employees Retirement System, the latest designation of beneficiary filed will apply in all systems.
- If you designate your estate, trust, or an institution, only a lump sum payment will be issued with no further benefits due.
